LUND UNIVERSITY

Faculty of Engineering LTH
International Office

Fact Sheet –2014/2015

University Name	Lund University Faculty of Engineering LTH
Erasmus Code	S LUND01
Address	Lund University The Faculty of Engineering LTH P O Box 118 SE-221 00 LUND Sweden
Visiting Address	John Ericssons väg 3
Web site	www.lth.se/english

Contacts

Dean of the Faculty of Engineering LTH	Professor Anders Axelsson anders.axelsson@rektor.lth.se
Assistant Dean for Education and International Relations	Professor Per Warfvinge per.warfvinge@rektor.lth.se Phone: +46 46 222 3626
Head of the International Office LTH	Ms Christina Grossmann christina.grossmann@kansli.lth.se Phone: +46 46 222 3457
Coordinators for Incoming Students in Engineering	Ms Marie Brink Phone: +46 46 222 3718 Ms Andrea Tarlé-Borgström Phone: +46 46 222 3411 incoming@kansli.lth.se
Coordinators for Outgoing Students in Engineering	Ms Sara Pereira Phone: +46 46 2229245 Mr Carl-Johan Andersson Phone: +46 46 222 3381 outgoing@kansli.lth.se
Coordinator for the International Master's Programmes	Ms Ulrika Quist Mathiesen ulrika.quist_mathiesen@kansli.lth.se Phone: + 46 46 222 9746 Ms Helene von Wachenfelt helene.von_wachenfelt@kansli.lth.se Phone: + 46 46 222 97 46 Ms Lykke Jacobsson Lykke.jacobsson@kansli.lth.se Phone: +46 46 222 7201

Application dead-lines

Information for exchange students	http://www.lth.se/english/education/exchangestudies/
Nomination and student application	https://exchange.lth.se/
Dead-lines for fall semester 2014	Nomination: January 1 – April 15, 2014 Application: March 15 – April 25, 2014
Dead-lines for spring semester 2015	Nomination: September 1 – October 15, 2014 Application: October 1 - October 25, 2014
Accommodation application	March 15 - April 25, 2014 October 1 - October 25, 2014
Courses	http://www.lth.se/english/education/exchangestudies/courses/ Incoming exchange students are required to register for 30 credits per semester. Important! The programs at LTH are under restructuring. The preliminary list of courses offered during the academic year 2014/2015 will be available in March 2014. Students that need to prepare a study plan before March are recommended to make a preliminary version of the document by using the courses available in the link above. Students are not allowed to change courses in the first study period unless there are problems in terms of course clashes or any other justifiable reason.
Swedish language course	Free of charge. Limited number of seats. Available for exchange students. http://www.sol.lu.se/sfs/exchange/?expand_menu=9&language=EN

Academic Calendar

Autumn term	Beginning of September – mid December, exams before Christmas, re-sits in mid January
Spring term	Mid January – beginning of June
Arrival Day – Autumn term	August 19, 2014

Academics

Academic Structure	5 years MSc in engineering programmes 5 years Master of Architecture 3+2 years Bachelor/Master of Fine Arts in Design 2 years international master's programmes
Language of Instruction	Mostly Swedish during the first 3 years Mostly English during the last 2 years
Language requirements	http://www.lth.se/english/education/exchangestudies/how_to_apply/
Credit system	Full-time workload: 30 credits/semester
Grading system	NB! ECTS grades are not awarded! Engineering studies: On most courses: 3 (three), 4 (four), 5 (five) or U (fail). A higher figure signifies a better grade. Architecture: G “Godkänd” (Pass) or U “Fail” Industrial design: The three level grading scale (5,4,3) and “Godkänd” (Pass) or U “Fail” are both used. Degree projects: Grades are not given on degree projects. Hence the grading scale only includes the grade “Godkänd” (Pass).
Official Academic Transcript of Records	Sent directly to the exchange student.
